Mr. Wood, Curator,
Numismatic Museum,
156th St. & Broadway, N.Y.

Dear Mr. Wood,

I wish to express my appreciation of your courtesy to my wife and myself last Saturday in giving us a private view of your interesting collection of British coins.

I have pleasure in sending under separate cover, the official medal worn at the Allied Bazaar, held at the Grand Central Palace during last June; the proceeds of this Bazaar were used for the relief of the wounded soldiers of the Allies, and the people of France and Belgium made destitute by the War.

Very truly yours,

Walter Mulliner.
